

- **Fiona** wall covering is one of Denmark's oldest and largest wall covering factory. It was founded in 1897
- **Fiona** develops from being the life work of an artist to a modern Danish factory with respect for tradition and craftsmanship; continuously leading fashion in different periods.
- Flügger acquires the Fiona factory in 1985, gradually, it became the new territory of European Fashion Design.
- Danish design is simple, concise, bright and refined.

BRING THE OUTDOOR INTO INDOOR
